

Dear Sir or Madam,

When you came to the Clinical Laboratory of the American Hospital of Paris, you asked to receive your results online.

When your results are available, you will receive an email and/or a SMS at the address or phone number you provided to us. Please do not try to sign in before receiving the email and/or the SMS.

To access your documents, please follow the instructions below after receiving the email and/or the SMS related to the availability of your results:

If you are signing in for the first time

1. Go to the Hospital website and click “Your analysis results” or enter the following address in your web browser: <https://ahp.mesresultats.fr/>.
2. Enter your patient identification number (NIPP) provided by the laboratory. You will find your NIPP on the label that was given to you.
3. To ensure a secure connection, enter the mobile phone number or email address you provided to us.
4. You will receive a verification code by SMS or email. Use this code to validate your account.
5. Once you are signed in, click “View your results.”

If you already have an account

1. Go to the results page or enter the following address in your web browser: <https://ahp.mesresultats.fr/>
2. Enter your credentials:
 - Your login is your patient identification number (NIPP), or the personalized login you chose during a previous session.
 - Your password is the one you created previously.
3. Click: “Sign up”.
4. Click “View your results”.

- Your results remain available for six months after their release.
- To change your password or email address, or to indicate that you no longer wish to be notified by email when new results are available, click “Identity”.
- To ensure your privacy, remember to click “Log out” when you have finished.

The Clinical Laboratory of the American Hospital of Paris thanks you for your trust.
